Dear Parents and Carers

Virtual Book Fair

We are having a book fair as we usually do but this time it is virtual! The extra books that school gets when you buy yours, really helps to keep our library stocked up, as well as getting you access to some bargains!

Choose from over 1000 brand new, popular children's books all at just £2.50 each.

Simply visit www.booksforbugs.co.uk/shop
and choose your books

Once you get to the checkout stage please complete the billing details as normal but remember at the delivery details stage to add your **child's name and class** where prompted.

For the delivery address please put Willowbrook School and the school's postcode EX4 8NN this will remove all postage fees.

You can order up until midnight on Sunday 16th May.

All orders will then be dispatched and we will let you know when you can collect from school.

Your school will receive a free book for every 5 collectively sold that has a value of £2.50, so every book counts!

Happy Shopping!

Reminders

Please can you encourage children to use the pelican crossing at the front of the school. There is so much traffic now in Summer Lane and cars are being helpful and stopping in other places to let people cross, but I am quite concerned at the number of parents and children dodging in and out of cars! I would hate there to be an accident.

Parent Governor

We have two vacancies for a parent governor and information has been sent to all parents. I am very happy to talk to anyone who is interested or to put them in touch with a current governor for a chat. It is an interesting role and will show you a different side to the school. Nominations close on Friday 17th at midday.

PE Kit

Please can all children have PE kit in school. They need to get changed for physical exercise. They should have a plain white T Shirt, plain black shorts and appropriate footwear. Thank you.

Reading

We are back in the full swing of the curriculum and reading is more important than ever. Please can you really support your children to read at least 5 times a week and record what they have read in the diary. For older children it is great to ask them about the book they are reading.

Staffing

Miss Kirk returns from maternity leave this week and will be teaching in Reception from Wednesday to Friday. Miss Linehan will continue to teach in the class on Mondays and Tuesdays.

Outdoor Areas

We are still keeping the children in their year group bubbles at play and lunch times with their own equipment. Please can you make sure that your children stick to this rule after school as well, particularly in Nursery and Reception areas, thank you.

School Dinners

We are seeing a big rise in the number of children having a cooked meal at lunch time which is great and a reflection on the better quality of food that we now have in school. We have also noted that there is so much less waste.

Please note that all dinners need to be ordered by 9.30 as they are cooked fresh to order every day. If you arrive after that time, you will need to provide a lunch for your child. If you know you are going to be late due to a hospital appointment for example, you can let the office know in advance and a dinner will be ordered for you.
