

Dear Parents and Carers

It has been lovely to see the sun this week! The children have really enjoyed being able to play on the field. Please remember to continue to send them in with sun hats, water bottles and sun cream! We hope you have a great weekend.

Reception Zoo Trip

Our Reception children had a great day at the zoo yesterday. They all came back looking very tired, so I am sure they slept well. Thank you to all of the parents who gave up their time to come to the zoo for the day.

Year 6 SATs and Beach Trip

We would like to wish all of our Year 6s good luck in their SATs next week. They are invited to come in at 8:30am for breakfast in the hall from Monday-Thursday. We find that getting them all together really helps them to get rid of their nerves. They have worked super hard in preparation for their SATs and all we want is for them to do their best.

The SATs papers will take place on the following days:

- Monday: Spelling, Punctuation and Grammar
- Tuesday: Reading
- Wednesday: Maths Paper 1 (arithmetic) and Maths Paper 2 (Reasoning 1)
- Thursday: Maths Paper 3 (Reasoning 2)

On Friday, year 6 will be going on a trip to Exmouth Beach to celebrate the end of their SATs week. Please make sure your child brings with them a water bottle, sun cream, a hat, a raincoat, a packed lunch, a rucksack and sensible footwear. Please can we also remind you that children will not need to take any swimwear or electronic equipment with them.

Music Assemblies

Over the next couple of Fridays, we have our music assemblies. These assemblies provide an opportunity for children who are learning an instrument at school to perform. Parents of children who are performing are invited to attend and can come through the school office to the hall at 8:55am.

On Friday 17th, children in years 1, 2 and 4 will be performing and on Friday 24th May children in years 3, 5 and 6 will be performing.

We look forward to seeing you there.

Census

Next week we have school census on Thursday, therefore we have swapped Thursday and Friday lunches. Census day is really important as it impacts funding for the school.

Cashless School

This is just a reminder that we will no longer be accepting cash into the school office from the 24th May. It is important that everyone is able to access the school gateway app, as this will be the only way to pay going forward. If you have any problems please do come and speak to the office.

Reception

We have been continuing to learn about animals this week. We have been thinking about minibeasts that live at Willowbrook school. We also went on our first school trip to Paignton Zoo! We had the best time looking at the wild animals!

In Year 1, we have been reading and writing about the book Dogger. The children have been writing descriptions of Dogger and learning how to use the suffixes er and est. We have also been making lots of progress on the recorders. We can now play B and A and have learned all about rests in music.
