

Dear Parents and Carers,

It's been a week full of glorious sunshine, perfect for all the exciting things we've had going on here at Willowbrook.

Our Year 6s wrapped up their London trip and enjoyed their secondary school transition days, a huge milestone as they get ready for their exciting new chapter.

Year 2 wowed us all, showcasing their confidence and creativity in the Year group production 'Rock Pool'. To top it all off, we had the fantastic opportunity to host the Exeter Chiefs foundation community event!

What a whirlwind of a week it's been. We hope you've enjoyed it as much as we have as we head into the final week and two days of term.

#### **Year 6 London Residential Adventure**

At the start of the week, our Year 6 pupils embarked on their grand adventure to London for their annual residential trip. They've thoroughly enjoyed exploring the sights of the city—from soaring above the skyline on the London Eye to sailing down the River Thames. Navigating the London Underground has been an adventure in itself! One of the highlights of the trip was stepping into the magical world of Harry Potter at the Warner Bros. Studio Tour. What an unforgettable experience!

### **Clubs**

This week marks the final week of clubs for the summer term. Thank you to all the staff who ran a club this term and well done to all the children who showed commitment and attended every week.

### **Colour run - raffle tickets**

Next week, the PTA will be selling raffle tickets for your child to be in with a chance of throwing the coloured powder at their teacher during the colour run on the final day of term. These will be £1 each (multiple tickets mean more chances of being the chosen one!) and there will be a child drawn from each class to colour their teacher! These will be on sale in the front playground on Monday 14th - Friday 18th July.

The golden ticket will then be pulled out at the end of the event, with the winner being able to gunge Mr Greenhall!

### **Lost Items and Personal Belongings**

We have seen an increase in the number of lost personal items in school this year. We kindly remind all parents and carers that personal belongings should not be brought into school, and if they are, this is at your own risk.

In addition, we've had reports of larger items, such as bikes and scooters, going missing from the school bike shed. If your child brings a bike or scooter to school, please ensure it is clearly named and securely locked. Taking these precautions helps keep belongings safe and ensures they can be returned if found.

## Rock Pool Performance

This week our Year 2 children stunned us all with their beautiful performance of 'Rock Pool'. They did a spectacular job in everything from remembering their lines, their gorgeous singing and the effort they put into preparing the stage/ props and outfits. A Huge well-done year 2, and not forgetting a massive thank you to our wonderful year 2 teachers and support staff for helping the children rock the Rock Pool!

Pinchy (hermit crab) aka Albie from 2SB:

"I really liked playing Pinchy because I had to fight over a Shell and it was fun to do. My Favourite song was The Queen of the sea; the instruments and beat were nice to dance to. I'm proud that I got the lyrics in the songs all right (in the end, with lots of practicing). Teamwork makes the dream work!"

Crabbie aka Elodie from 2SB:

"I really liked that I could tell people what to do when I was Crabbie. I liked that there were 2 songs about me (Crabbie) so I felt very special. I really loved the song Welcome to the Rock Pool...it's so happy and everyone was singing!"

Octavia aka Lilly from 2MT

"I liked that everyone came to see the show, especially my family. I Loved that the whole of Year 2 was part of the show and really enjoyed singing every song. The best part was singing my solo."

Ahmet from 2MT (part of our prop crew):

"I liked painting the octopus and the shells."

# Colour run 2025

**Tuesday 22<sup>nd</sup> July**

We are very excited to run our first sponsored obstacle colour run event! This event aims to raise money towards improving our indoor and outdoor provision across the school.

### On the day

All children will be given the opportunity to complete the event irrelevant of the funds raised, however we do want to raise as much money as possible. The event will consist of an assault course with obstacles before a final colour run across the field where coloured powder is thrown at the children (more info below).

At the end of the race each child will get a medal. Every child that raises £5 or more will receive a rainbow wristband. Every child that raises £25 or more will get a rainbow wrist band, a drawstring bag and a pair of colourful sunglasses. There will also be an opportunity for your child to buy a raffle ticket for £1. The winning child in each class will be able to throw the coloured powder over a teacher! One lucky child will also be able to gunge Mr Greenhall! Raffle tickets will be sold outside Reception at 3.30pm on 14<sup>th</sup>-18<sup>th</sup> July.

Children are encouraged to wear a white top and sports bottoms. They can bring spare clothes if they would like. Please be aware that the coloured cornflour may stain so please provide outfits that you don't mind getting messy! We will be throwing the powder below the shoulders. We will have sunglasses for the children to wear but if your child would like to bring in goggles then they are welcome to do so. The throwing powder purchased is vegan coloured cornflour mixed with food grade dye. If your child would not like to have throwing powder on them then please let your child's class teacher know and we will ensure that they do not run through the throwing stations.

We will send home the sponsorship form with your child on Friday 4<sup>th</sup> July. Sponsorship money can be paid using the QR code on the sponsorship form or by giving money to the office (not to the class teacher). If using the QR code, please make a note of the reference number when you pay. If paying in cash, please ensure the envelope is labelled. All sponsorship money needs to be handed in by Friday 18<sup>th</sup> July to ensure that children are given the correct prizes at the event.

We hope that this will be a fun activity for all the children on the last day of school. .
