

Dear Parents and Carers

The end of term is here! Thank you to all the parents who attended the Carol Concert; it was lovely to hear from both choirs and it was great to have support from so many families. It is such a busy time in school, with Nativity plays, concerts and celebration assemblies; all this requires a lot of hard work from staff and parents, so thank you to you all.

I hope you have a restful Christmas with your families and enjoy your holiday break.

Top Readers

Well done to the children below who are the top readers for their class on accelerated reader. We have had some good feedback from parents about how much children enjoy using this at home! This is from 4th December to 11th December 2023 inclusive.

3H	Chloe D	5T	Emily C
3KH	Anya M	5W	Freya M
4E	Ore J	6BD	Oluwajomiloju J
4F	Amir R	6P	Attal R

A Message from Nursery

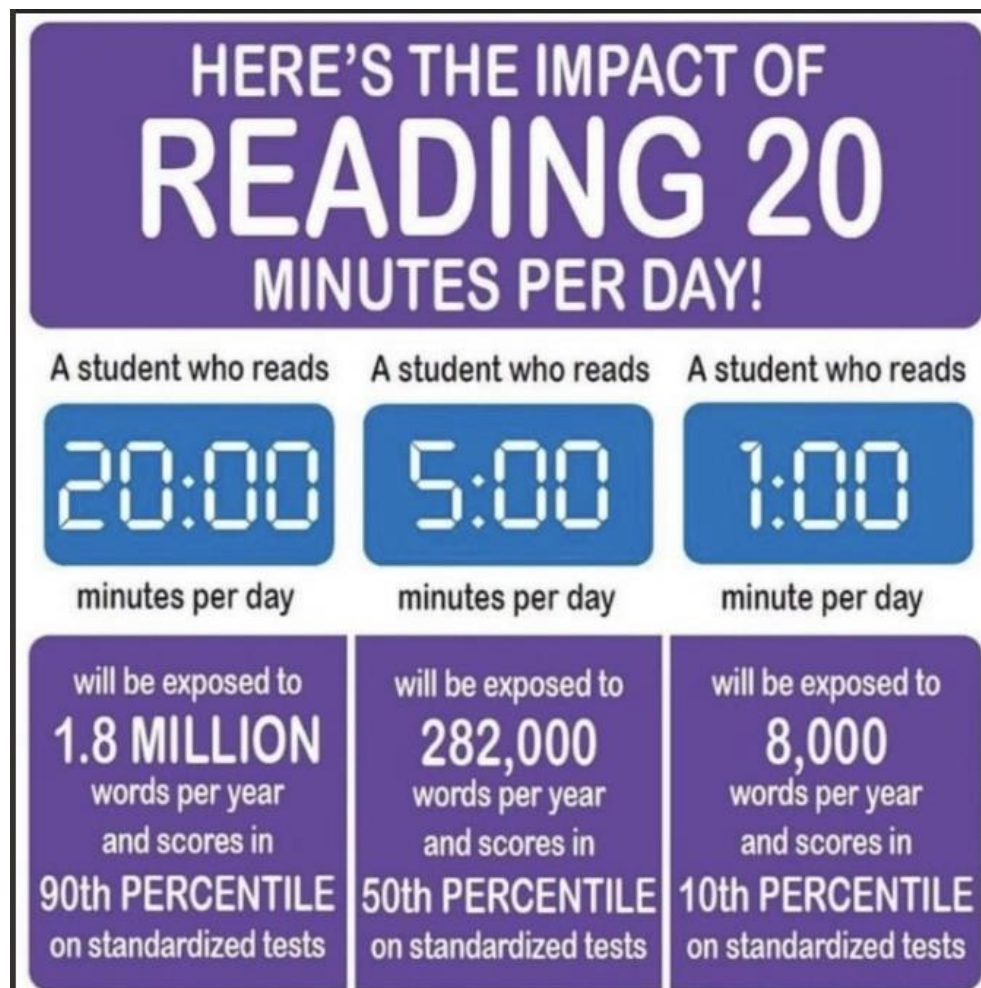

A huge thank you from Ms Scott, Mrs Corke and the team for the kind donations of toys to the nursery. The children are enjoying playing with them and they always like having something new.

Staff Changes

I know you are aware that Miss Hughes, Miss Bateman and Mr Pearson are all leaving us this week; we wish them all well in their new adventures!

We have Miss Sweetland joining us to teach in Year Three, Mrs Hancorn joining us to teach in Year Six and Mrs Davis joining us to provide PPA cover across the school.

Mr Dawe will be Deputy Headteacher and will be at the back gate in the mornings.

Next Term

Wednesday 3rd January School starts back.

YEAR 3

In year 3 we had our final hockey lesson in PE. In DT we have designed, sewed and decorated our Christmas decorations, ready to put on the Christmas tree!

YEAR 4

Year 4 have had their final swimming session. After a full term of swimming, the children have made brilliant progress and have had a brilliant time!

We got to make our Viking longships in DT and test them on the pond! We all managed to achieve the design brief and had great fun on our DT day!

YEAR 5

In science, we have been investigating magnetism and soluble/insoluble solutions.

In English we have been writing a report all about Ancient Greece.

In maths we have been learning about comparing, ordering, adding and subtracting fractions.

YEAR 6

This week, we have planned, made and tasted some WW2 pies.

Each group had a certain amount of money to spend on a range of ingredients that were available to families during WW2.

Overall, the children seemed to really enjoy them!
