

Dear Parents and Carers,

Firstly, I would like to kick off the newsletter with a massive well done to all our Year 6 pupils who completed their SATs last week. They showed **resilience, determination, and hard work** throughout, and we couldn't be prouder of them.

The rest of our pupils were exceptionally courteous and conducted themselves in a positive manner to maintain a quiet and calm environment, which has been especially important for our Year Six students during this time. We hope that the year six children all had a lovely day at the beach to celebrate getting through their SATs tests!

A Huge Thankyou

The Year 4 team would like to say a massive thankyou to all our parents who have helped donate and raise money towards our upcoming Escot trip! It makes such a difference having such a positive contribution from the local community where we can all come together to achieve a shared goal. Thankyou!!!

Front gate

This week, the front gate has been left open on several occasions. For the safety and security of all our students, we kindly ask that you remain vigilant and ensure the gate is closed properly when entering and exiting the school premises.

Class Photos

We have Tempest in on **Tuesday 20th** to do class photos. They will start in Nursery at 9am so if your child does not attend Nursery on Tuesday mornings you are more than welcome to bring them in for the photo and take them home again. Please ensure that your children are in full school uniform for the photo. If your child has P.E. on Tuesday, they should come in their normal uniform and bring their P.E. kit separately to change into. Please see below for your child's P.E Day.

Days children need to come in P.E. kit:

Reception – Wednesday (outdoor learning)
Year 1 – Tuesday & Thursday
Year 2 – Monday & Wednesday
Year 3 – Monday & Thursday
4R – Monday & Friday
4E – Monday & Tuesday
Year 5 – Thursday (outdoor learning) & Friday (PE)
Year 6 – Monday (swimming) & Friday (PE)

World Of Country Life

On Thursday, Reception visited the World of Country Life in Exmouth—and it was a fantastic success! The children enjoyed a fun-filled day packed with exciting adventures, from meeting friendly farm animals and riding the deer train to seeing birds of prey and saying hello to a talking parrot. One of the highlights was exploring a massive pirate ship, which sparked lots of imaginative play and laughter. A big thank you to our wonderful parent helpers who helped make the day safe, smooth, and memorable for everyone!

Athlete Visit - Tuesday 3rd June

We are thrilled to be able to share some more information about our upcoming Great Athletes event. We are excited to announce that the athlete who will be visiting us after half term will be Lele Nairne, a super star in the world of Judo! On the event day, all pupils will take part in a sponsored fitness circuit run by their athlete, a terrific way to get all children excited about sport and realise that getting moving is really fun! Their athlete will then share their incredible sporting journey, a story of resilience and determination in a fun and interactive assembly. There will also be an opportunity to ask any burning questions in a Q&A session with their inspiring role-model at the end!

Fundraising for the event will begin next week when the children will be bringing home a sponsorship form. The money raised for the event will help us to purchase new sports equipment and improve levels of physical activity in our school!

LOST

A very important comforter for one of our pupils went missing at the beginning of the week. A small orange and white hamster cuddly toy, if anybody has seen this or knows of its whereabouts, please could you bring it to the main school office. Thank you.

Dates for your diary for the summer term:

Tuesday 20th May – Class photos in school

Wednesday 21st May - Y6 London residential parents meeting 3pm in the hall

Monday 26th – Friday 30th May – Half term

Clubs - Summer 2

Next half term we have 3 clubs that are available to the children at a cost to parents, ran by outside companies:

- FizzPop Science running a Science club for Years 1-6 on Wednesdays
- Exeter City running a Football club for Years 3/ 4 on Wednesdays
- Sporty Stars running a Multi-sports club for Years 1 / 2 on Fridays.

All the information for these clubs you can find below - you will need to sign your child up directly on their websites - these will be allocated on a first come first served basis. These paid for clubs will begin in the first week back after the half term (week beginning 2nd June).

All other free clubs funded by the school will also start in the first week back. Please sign up using [the Microsoft form](#) by Thursday 22nd May at 9am, so that allocations can be sorted out ahead of the half term break.

FIZZPOP SCIENCE

Experiment! Discover! Inspire!

WWW.FIZZPOPSCIENCE.CO.UK

Fizz Pop Science South West

01278 448 602

email: taunton-exeter@fizzpopscience.co.uk

School: Willowbrook School

Day: Wednesday 15:30 - 16:30

Time: 15:30 - 16:30

Dates: 04/06 11/06 18/06 25/06 02/07

Costing: £49.00

Our After School Programmes are designed to inspire our children into gaining an interest in the Sciences. Our workshops are a mixture of exciting demonstrations and thought provoking hands on experiments and tasks.

It's the force of course!

HOW ATTRACTIVE!

Attracted to Science? If not you soon will be! With our truly magnificent magnets, you will create force fields, electromagnets and go fishing!

HAIR RAISING ELECTRONS!

Get ready for some hair-raising action! Explore electrical properties and the role of electricity as a natural phenomenon, whilst creating lightning in your classroom.

FORCES FROM THE CIRCUS!

Can you defy the forces of gravity and keep you balance? Our spinning gyroscopes can. Then try your skills at spinning plates as we find out more about this spinning force. And laughs galore as you explore your centre of gravity.

Terms and Conditions -Refunds can only be given for cancellations made seven days prior to programme commencing. Any cancellations not made within this period will be charged £5.00 administration fee. No reimbursements will be given for any child asked to leave the programme due to bad behaviour. Refunds can not be given for children missing sessions. Programmes may change without prior notice, although all efforts are made to make sure they are not affected.

TEXT CONFIRMATION WILL BE MADE AFTER DEADLINE DATES OR EMAIL IF NO MOBILE NUMBER

TOY TIME SCIENCE!

Energy is everywhere, transforming all the time. Brace yourself as we travel back in time and use classic toys to investigate the science of motion!

EGG STRONAUGHT

Captain Scramble and Lieutenant Yolka need you to help them land on a new planet. However so far there has been nothing but disaster. Can you help?

REWARD DAY!

We hope you have enjoyed finding out about the interesting world around us. This session you will be rewarded with a certificate and special gift.
