Dear Parents and Carers

I can hardly believe that we are at the end of another school year! This has been our first 'normal' post-covid year and I would like to say thank you for all the support that you give the school. I am sure you have noticed a lot of changes in the services for your children since Covid, and we have certainly noticed this in school. It has meant that there have been times when we may not have been able to respond in the same way as previously, but I wanted to say how much we appreciate your patience and wanted to acknowledge that.

We have lots of works planned over the summer, so that will be exciting for the new school year. We are replacing the canopy outside Reception and Nursery as some of the wood is rotting. We are also having some classrooms painted and some carpets replaced. The school grounds are also going to get a bit of a spruce up, so hopefully you will notice the difference when you return in September.

Bikes and Scooters

Please can you make sure that these are all taken home by Friday, thank you. If your child is ill and their scooter is in school, please can you email to let us know and we will remove it from the bike sheds.

End of year stuff!

Please can you make sure that all library books are returned; all dinner debt is cleared; all PE kit is taken home. Thank you.

Lost Property

This is in the Community Room and we will put it out on tables for the last afternoon until 4pm.

Have a lovely summer with your families and we look forward to seeing you in September.

NURSERY

Sign of the week

Hot

Hot (1)
(feeling hot)

This week Nursery have been visiting Reception and tried having their lunch in the hall ready for when we move up! We were very brave and enjoyed choosing our food. Our sign of the week is hot!

RECEPTION

We have been learning all about Pirates this week! We made treasure maps which lead us to a treasure chest full of marshmallows!

YEAR 1

1P's Friday Flyer: Max

In DT this term, we have been planning and designing a healthy picnic. This week, we made our sandwiches and then evaluated them against our original sandwich design.

In English, we have been writing instructions based on how to make sandwiches.

YEAR 2

We have had a really busy couple of weeks! We had so much fun performing our play and sleeping at school. We also learnt a lot on our trip to Exeter Mosque and the Cathedral.

YEAR 3

Y3 have had a fantastic activities week. We had a great trip to Mincinglake, went pond dipping and had a delicious BBQ. The children have made us very proud with their attitudes and behaviour.

YEAR 4

This week in Year 4, we have been completing our collages, inspired by Kenyan material. We were able to use a variety of materials to create our collages.

YEAR 5

As part of our work in dance, some of us performed a 1920s Charleston routine at the Barnfield Theatre last week.

YEAR 6

This week, many of our Year Sixes have visited their high schools as part of their transition. We have enjoyed hearing stories of their first days at secondary school!

In school, we have been continuing with our preparations for the end-of-year production next Thursday. This has involved rehearsals, as well as preparing scenery and props!
