### **Dear Parents and Carers**

This is the last newsletter of the year...and what a year! Thank you for all your support over what has been a year that has been challenging, but has also been a reminder of what lovely children and families we have. I have been so proud of the way the staff have supported families and children and the way the community has pulled together. I hope that you all have a safe and restful holiday and look forward to seeing you all in September.

### **September Arrangements**

We plan to go back to our normal opening times of classroom doors opening at 8.45 and school starting at 8.50. If children arrive after 9am they will be marked as late. The school day will go back to ending at 3.20pm.

We are hoping to resume having assemblies and ending bubbles, so that playtimes can go back to normal in the new term. The leadership team are meeting towards the end of August to make final arrangements and we will be sending out an update then. It seems foolish to decide too early as a month seems like a long time with the picture constantly changing.

### **Covid**

If your child tests positive in the holidays; please can you let us know if your child test positive in the first three days of the school holiday so we can report it and contacts can be traced.

### **Summer Holidays**

The Beacon will be hosting some Family Fun Days on most Thursday through the Holiday; the day will include activities and a cooked meal. If this is something you are interested in, you can check out [info@thebeaconcentre.org](mailto:info@thebeaconcentre.org) or call: 01392 204979

### **Breakfast and After School Club**

A reminder that places can be booked on the school gateway. Children can be dropped off at 7.45 for breakfast club and after-school club finishes at 6pm. Please ensure all places are booked in advance. Thank you.

### **Breakfast Packs**

If you are one of the families who is due to receive a breakfast pack delivered by amazon, they should be delivered each two weeks. Here is the telephone number and email families need to contact if there are any issues.
