

22nd January 2021

Another week has passed and we are so impressed with how you are all managing the remote learning. We know it is another thing to do along with all the other changes that are happening each day, but do give yourselves a pat on the back! It is fantastic to see so many children on twitter showing off their PE skills and even some of the staff!

### **Reading**

We've recently bought into a new online reading platform called myOn. It has 7,000 digital books which your child can read or listen along with audio support. The titles of books are matched to your child's interests and level of reading. For the older children, they can take an Accelerated Reader comprehension quiz once they have finished the book. You can access it on mobile phones, iPad, Android tables, Chrome books and a Kindle Fire.

Your child should have already been given their username and password. If you're having any difficulties, please contact your child's teacher on Tapestry or the year group email. Thank you.

### **Thank you**

Thank you so much for all your generous donations to the Exeter Foodbank. We received a certificate from them today telling us that we had collected 190.6kg worth of food or the weight of **2 Elephants!** The Food Bank does amazing work and supports so many local families and people in need; it is nice to give something back.

### **Parking**

Please can parents remember to park in allocated areas at the Arena. We have several parents who park along the roadway and this makes it dangerous for pedestrians and blocks the road. Please do not stop outside school to drop off, there are double yellow lines and zigzags which indicate that this is illegal.

### **Summer Lane**

The road is finally open! Please can you remind children that there is now traffic along the road, so they should use the pedestrian crossing to stay safe, thank you.

### **Free School Meal Vouchers**

These are issued fortnightly for children who are not attending school; children who attend school will be provided with a meal in school. Where there is more than one child in a family, the voucher has been attached to the name of one child. The value is £15 per week, per child.

### **Places in School**

The booking form for places from 1<sup>st</sup> Feb for two weeks will be activated on Wednesday and will close at noon on Friday. Please use the link sent previously. If you think you are an essential worker, please complete a form which is on the website and email it to school. If approved for a place, you will be sent the link.
