

Dear Parents and Carers

Thank you so much for attending parents' evening and taking the time to meet with staff. It is always a lovely time to catch up with parents, especially those who do not normally do drop off and pick up.

The governors have now advertised for a new Headteacher and we have been showing possible candidates around the school. The interviews are scheduled for 7th and 8th March.

Well done

These children have been the top readers for the week of 5th – 19th Feb. Fantastic news.

World Book Day

Just a bit of advance notice that it is World Book Day on Thursday 7th March. This is the day when we all dress up as characters from books and have lots of different reading activities all day in school. There is no need to spend lots of money on elaborate costumes, there is nearly always something in the cupboard.

Social Media

If your child has a phone and has internet access, please can we ask that you monitor their activity on social media. We have recently had some issues with students in upper Key stage 2 where they are not being pleasant to each other and it is having an impact on other children's wellbeing. We do talk to the children in school about internet safety and social media use but obviously we cannot monitor their phone usage. Thank you.

Exe Factor 2024

Thank you to the children who have handed in their applications for Exe Factor. Auditions are well underway and we will let children know whether they have got through by the end of next week as we have had a few children away and did not want them to miss out on a chance to perform.

Year 3

Over the past couple of weeks in Year 3 we have been looking at Roman Britain. In art we have been designing, sculpting using clay to create our very own Roman pots.

Year 4

Over the past couple of weeks in Year 4, we have begun making our Egyptian amulets out of modroc. We learnt how to use water to attach the material to our templates.

In PE, we have been working on balance and working as a team to complete balance based activities.

Year 5

Year 5 have been enjoying their fitness sessions in PE this term. They have been working hard to beat their personal best each week!
