

2nd October 2020

Dear Parents and Carers

Bridge

The planned works on lifting the new cycle bridge into place will not be happening this weekend as planned, due to the weather forecast for high winds. The contractors are hoping to lift the bridge on to place the following weekend, so hopefully we will be able to begin to think about the road being open again!

I have passed on to the contractors about the amount of mud by the bridge on the walkway and about the wires sticking out. They have washed it down and have repaired the wires. If there are any further problems, please email in to the office and we will pass the issues on.

Cycles/Scooters

Please remind children (and adults) to walk them in the school grounds. We have told some children they are no longer allowed to have them on the school site as they keep breaking the rules.

Covid reminders

- Please could only one person come to collect children on site. It would be helpful if you did not arrange to meet older children or other family members on the school site as this will help us to minimize the number of adults around.
- If you are waiting for the results of a test, then the whole household should be self-isolating. No one should be having contact with someone outside their household if they are waiting for test results.

Times Tables

There is a letter that is coming with this newsletter regarding a times tables rockstars day! The children loved it last year and I will be bringing my leopard print jeans out of hibernation! The children can join in as much or as little as they wish and we are hoping to raise a little money for a good cause.

School Dinners

It is nice to see more children taking school dinners...the smell of chicken burgers and chips made many a tummy rumble! Just to be really clear, you can pay on the school gateway app and then just let us know on the day. You can bring cash on the day but we are trying to limit the amount of cash handled in school. If you are unsure there is a leaflet in the office about the app.

The menu for next week is on this letter.

Coats and Wellies

Please can all children remember to bring coats. They will be going out unless it is VERY wet as they need the fresh air! Year 2 and Year 5 are on the field so please can they bring wellies. Thank you.

Parking

Please do not park on the zig zag lines or double yellow lines outside the school. It is illegal. Please park in the arena and not in the entrance as this makes it unsafe for all the other road users.

2nd October 2020

Monday 5 th Oct	Tuesday 6th	Wednesday 7th	Thursday 8th	Friday 9th
