

6th November 2020

Dear Parents and Carers

It has been lovely to see the children back at school this week. I am really pleased that we have more children in school and they are really enjoying spending time with other children...particularly those who have had a birthday this week!

Year Group Email

As you know we have set up an email contact address for each year group. I just want to clarify that this is for when a year group bubble is shut and self-isolating or when a child is self-isolating. This is for queries about the work that is being set. If you have any need to contact school at other times, please just use the usual admin email address. Thank you.

Children in Need

Next Friday is Children in Need and obviously this is going to look different this year. The focus for fundraising is around children's mental health and organisations that support this. As we cancelled our dress-up day for Times Table Rock Stars, we thought we would join the two events and ask the children to dress up as a rock star for the day. I hope that this means we can have a fun day, raise some money for a worthwhile cause and you will already have outfits ready!

Reminder: Poppies are currently available to buy from your child's class teacher for Remembrance Day next week

Coats

Please can the children bring a warm coat to school as we are trying to get the children outside for fresh air as much as possible. It is also important that children wear a jumper, as we need to keep windows open to ventilate classrooms to reduce risk of covid 19.

Great opportunity to buy your books for Christmas at great prices!

We will be running a Virtual Book Fair from Friday, 13th November until the end of the day, Tuesday, 24th November online. All books are priced at £2.50 and there is a Christmas craft range of items priced at £1. You pay the company directly online and then the books will be sent to school with your child's name and class on them in the week following the Fair. Look out for information on how to access and purchase books in next week's newsletter when the Fair will be open.

Parents' Evening

Hopefully you will all have booked slots for parents' evening next week. If you have not, then you will have been allocated a slot. It is a really good chance to catch up with your child's new teacher and see how they are getting on in these tricky times.

Bringing Wellies

Thank you to the children who are bringing wellies when it is their turn on the field. We still need to use the field with the children in order to keep bubbles separate, so please can they bring wellies or boots that are suitable for playing on the grass and track. Thank you.

6th November 2020

Foundation and Year One

If you are collecting from these classrooms, please can children from other bubbles not play with the equipment as we keep it separate to try to prevent any cross contamination. Thank you.

Collecting Children

Please can you ensure we have up to date contact details for who is collecting your child. They need to be a named contact. If someone is collecting from Nursery or Reception, they should be 16 or over. If collecting from years 1 to 4, they should be 14. Sometimes there will be exceptions that we are aware of due to specific circumstances. Thank you.

WEEK 3 DINNER MENU (09/11/2020)
