

Dear Parent/Guardian,

Couch to 5K

Well done to all the parents who come to the Couch to 5K sessions every Monday morning! They have been using the Arena running track and would love to see more parents come along and join in.

There are posters up in all the classrooms and in Reception as well as on the school twitter feed on the website.

Safer Internet Day

Next Tuesday is Safer Internet Day nationally and we will be working on safer use of the internet in school. The internet is a wonderful tool that opens up the world for children and is amazing for supporting and enhancing learning. We want our children to use it safely and will be having a real focus on that with a range of ideas from Mr Dawe!

We have talked to the children about internet use and it might interest you to know that they would be much stricter as parents with their own children, that they think that you are!

If you would like to explore this at home with your children, then you might find the following link useful

The Roadworks

Everything seems to be working with the roadworks for the cycle bridge so far, now that we have the agreement to keep the pavement open for access to the schools. If you have any issues that you would like me to pass on to the contractors, then please email them into school so that we can forward them on.
