

Dear Parents and Carers

Thank you for making the first week such a successful week back. The children have been so settled and calm and I have had lots of them say their class is the 'best ever'.

Welcome to all of our new families who have joined in Nursery and Reception and we have also had about ten new families across the school.

Library Books

Thank you to all who have returned books to the Library. However, there are still 1212 books missing.

At an average cost of £7.99 per book, this is a deficit of £9,683.88.

Please could you return all class books as soon as possible and remind children to bring all Library books back.

PE Kit

Well done to all the children and parents who came in PE kit on the right days! The children seem to like being able to be in kit all day on the days they have PE. There is no need to bring any uniform to change into. We will review this at the end of term and be interested in your thoughts as to whether this is easier and more practical. Hopefully we will have fewer lost PE bags.

Year 4

Please remember the children have swimming on Monday and will need to bring kit and a towel. They should not bring any aerosol sprays at all. They can bring goggles if they like to use them.

School Dinners

A reminder that if you need to register for free school meals, please sign up using the citizen portal. Office staff are very happy to help if you need it.

Uniform

We sell school jumpers in school and these are cheaper than those in the shops as we do not have to apply VAT like shops, but sell them at the price they cost us. You can come and buy them from the office (cash only please), or buy them on school gateway and collect them from Reception office.

Music Tuition

If your child is continuing with music lessons then you don't need to do anything new. If you would like your child to learn an instrument, please ask the teacher for a form and return it to Mrs Tucker via the school office. She will then liaise with the tutor.

Collecting Children

If an older brother or sister from High School is collecting, please can you remind them to wait outside the classroom and that only they should be coming on site without a large group of friends! Your support with this is appreciated as large groups of teenagers can be quite intimidating for some younger children, even if they don't mean it. Thank you.
