

Dear Parents and Carers

We have had a busy week in school with several visitors. They have all commented on the positive nature of the school and how children are so focused on their learning. We have had enormous fun with Ted Barnes and his band, who came to perform yesterday with children from nursery up to year two. Each year group had an hour-long workshop of music, drama and fun!

Parking on Site

Thank you for your support with this issue. The problems have decreased significantly. Please can parents always use a designated space, thank you.

Sports' Day

This is on next Thursday. Children can come to school in their PE kits. This is a plain white T-shirt, black shorts and trainers or plimsolls. We will give the children their family group T-shirts on arrival.

Please can all children bring a named water bottle and ensure they have asthma inhalers. The Lower School sports' day starts at 9.30 and takes place on the school field. Parents just drop children at school as usual and then make their way to the field where there will be seating.

Upper school (years 3-6) will start at 1.30.

Parents are welcome to bring a picnic lunch to share with their children on the school field. Lunch time will be 12-1 and parents will need to collect children from their classroom and sign them out with the teacher and then return them, signing them in at 1pm. They will not be able to come into school during this time and will be under your supervision. The community room will be open for toilets and filling water bottles.

School Uniform

It is lovely to see the children in summer uniform. Please note that children can wear summer dresses which are green and white or tailored grey or black shorts with a white polo top. Children should not be wearing tight lycra shorts similar to cycling shorts or cut off flannel shorts. This is not part of our uniform. Thank you.

Our Recognition Mission

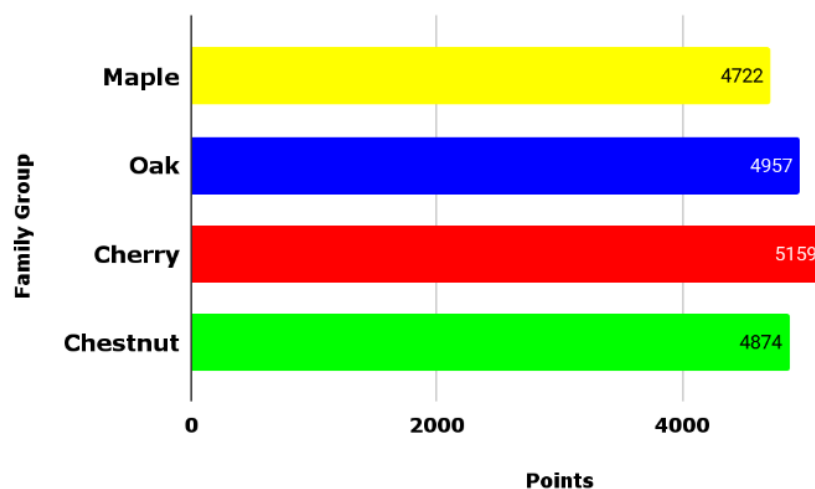

All staff at Willowbrook, are still on the lookout for children who are being excellent role models of our school values of friendship, teamwork, excellence and respect. Each week, children, who have been recognised, are enjoying the chance to have a hot chocolate (or squash!) and talk about their weeks with other children from across the school.

Family Points

At the end of this half-term, we will have our family group winner for the year. They will receive our family group trophy! Currently, Cherry are narrowly in the lead, but with lots more opportunities to earn points (including Sports Day!), all family groups still have a chance!

2022-2023 Family Points

What has each year group been up to week?

NURSERY

Signs of the week

Nursery have had a wonderful week back! We enjoyed a visit from Mrs H and Ted who played us wonderful music and got us all up dancing! We have been learning about land and rail vehicles and made our own train. We also said goodbye to Miss Gray before half term who has made it safely to Australia. We can't wait to hear about her travels.

RECEPTION

We have had our first PE session this week with Premier Sports!

We have been learning about the Three Billy Goats Gruff this week. In Outdoor Learning we had a go at building our own bridges!

We have had some brilliant independent writing and storytelling this week!
