

**Dear Parents and Carers** 

We have come to the end of another busy week and a very challenging week. We have had two separate and unrelated positive tests in different parts of the school. I think this is a real reminder to us all about social distancing and not becoming complacent.

I know this is a very difficult time for families. People are worried about their health and the health of their families and then there are all the added complications of time off work and trying to juggle child care.

What is amazing about our community at Willowbrook, is that everyone has pulled together and taken the time to ask questions, give really good feedback about what has been useful and worked well and given us suggestions for possible changes. Thank you.

We have reviewed all areas of practice in the school and we have made a few further changes and sadly this will mean that some of the tuition after school will have to be suspended. If this is the case for you, you will have a call from the relevant teacher.

If we need to contact a year group, we will use our school communications system and it would be useful if you check the settings you have for this so that you make sure you receive an alert. If you are unsure, we are sending the information again with this letter.

## **School Dinners**

Just to clarify again, you can order dinners on the day and the cost is £2.30. Please pay using the gateway.
