

Remote Learning – Willowbrook School

Communication

Remember that while your child is at home, you can email their teachers using their year group email - e.g. year5@willowbrook.devon.sch.uk

Teachers will phone children at least fortnightly.

How does my child log-on?

My child is in the Early Years or Year 1	My child is in Y2-6
<p><u>Tapestry:</u> Please see the separate letter explaining how to access Tapestry.</p>	<p><u>Google Classroom:</u> Your child will have brought home an 'emoji password' before Christmas. Head to wonde.com/emoji, type in 'Willowbrook School' (make sure to select the Willowbrook in Exeter). Then select 'log in with emoji password' and use the emoji password they've brought home.</p> <p>Your child can then select 'Google Classroom'. The first time they do this, it'll prompt them to enter an email and password. Your child's email address will follow the following structure:</p> <p>The year they started reception (see below), their first name and then the first letter of their surname.</p> <p>Years Year 2 = 18 Year 3 = 17 Year 4 = 16 Year 5 = 15 Year 6 = 14</p> <p>So, if a child is currently in Year 4, and their name was Jack Smith, his email would be 16jacks@willowbrook.devon.sch.uk</p> <p>They should then type the password abcd1234! - this can be saved so that next time you don't need to type this in.</p>

If you have any technical issues, please email your child's class teacher.
