

Dear Parents and Carers,

Despite the wet and windy weather, it has been another fantastic week filled with exciting activities across the school. Our Young Voices choir travelled to Birmingham for an unforgettable performance, our Young Carers enjoyed a wonderful (and very muddy!) adventure at Escot's Wild Wood, and there has been plenty more happening in and around the classrooms. It's been a busy week, and we're so proud of everything the children have been involved in.

Online Safety

Over the next few weeks, we'll be sharing some online safety information from the London Grid for Learning, an organisation who works to provide safe internet access for schools. This week, some information on talking to your child about their online activity.

YOU don't need to be an **EXPERT** ... be a **PARENT**

- **It's your choice** – don't let others dictate when the right time is to use tech.
- **Stay involved** – make time to communicate, talk about what they are doing. What do they enjoy? What makes them laugh?
- **Don't quiz them** – have regular conversations. What's their favourite app? What is the best site to learn new things from?
- **Join in** – watch them play a game and join in. Who are they playing with? Do they know the other players?
- **'Show me how...'** – ask their advice to help you with your privacy settings, who you should add as a friend, are there any risks?
- **Lead by example** – children learn as much from watching as they do from being told not to do something, so model good behaviour
- **Reassure them** – tell them that they won't get in trouble and that you are always there to help

PARENTSAFE

Keeping your children safe: online & beyond

This page is for parents - if you are a teacher, click [here](#)

It's never easy to know how to keep our children safe when they aren't with us, and sometimes even when are, if we don't know what's happening in their lives or on their devices! Who are they talking to, what are they doing, are they okay? Don't despair though...scroll through this page for help or click a button to go straight to a particular topics.

Visit to Wild Wood

Some of our Young Carers from across the year groups were lucky enough to enjoy a fantastic trip to Escot's Wild Wood this week. Despite the weather being extremely wet and soggy, the children had an amazing time exploring the woodland and discovering the wide range of animals that live there. They were fascinated to learn about how each species survives in its natural habitat, and the chance to see the animals up close made the experience even more special.

The rain certainly didn't dampen their spirits, it was a wonderful day filled with curiosity, excitement, and plenty of muddy boots!

Young Voices

On Friday, our Young Voices choir set off on an exciting journey to the BP Pulse Arena in Birmingham, ready to take part in one of the largest school choir events in the world. The atmosphere from the moment they arrived was electric – 6,000 children from schools across the country gathering together, all buzzing with anticipation for the performance ahead.

Throughout the afternoon, the choir rehearsed alongside other performers, building confidence and soaking up the incredible energy of the arena. By the time the lights dimmed and the show began, they were more than ready!

What followed was a truly heart-warming and unforgettable event. Our children sang their hearts out, filling the arena with joy, beautifully blended voices. They performed with such pride and passion, and it was wonderful to see each of them shine as part of the astounding Young Voices choir. We are incredibly proud of their hard work, dedication, and the way they represented our school.

A huge shout out to Mrs Tucker and all the volunteers that made this experience possible and one to remember.

Y3 Learning

Year 3 have been learning all about the Roman Empire in History. This week, we have been on a virtual trip to the Roman Baths. David showed us many of the artefacts in the museum and told us all about how the Romans used the Baths. We were able to find out lots of information as well as some really disgusting (but very interesting) facts...

Lucas : " We found out that it was hollow under the floor. They would light a fire and this would warm up the floor for them"

Filip: " Did you know that they used a tool to pluck out their armpit hair!!"

Esme: " We were shown a toga and the shoes that they wore. We were also shown something they used to pull out their ear wax!"

Abi: " they covered themselves in oil and used sweat as a face cream."

Lost Property

lost property is located on the back playground outside the staff room at the end of each school day. Please take a moment to check if your child is missing anything.

To help us return items quickly, please ensure that coats, jumpers, and PE kits are clearly labelled with your child's name. This makes a huge difference when belongings are misplaced.

Afterschool Club Reminder - If you need to pass on a message after 4:30pm, please call 07930 727654 as the school office will be closed.

School Term Dates

Spring term First day back – Tuesday 6th January

Half Term – Monday 16th – Friday 20th February

Last day of Term – Thursday 2nd April

Easter Holiday – Friday 3rd – 17th April

Summer term First day back – Monday 20th April
