

Dear Parents/Carers,

We hope everyone has had a lovely week and taken every opportunity to cool down during the hot weather. It has certainly been a warm one, and the children have handled it brilliantly. Please take a moment to check the upcoming dates and updates for events happening next week so you don't miss anything.

Punctuality and Attendance Reminder

At the end of last term and the start of this one, we have seen an increase in children arriving through the office after the school gates have closed. Please ensure your child is in school and ready to start the day promptly between 8:40 and 8:50, when the gates close. Consistent punctuality helps children settle calmly and start learning straight away. Please note that any arrivals after 9:15am will be marked as late after the register closes, which counts as an unauthorised absence in line with our attendance policy.

If your Child has a medical appointment during the school day, please ensure medical evidence is provided via email to the school office. Without evidence, these absences will be recorded as unauthorised, following our attendance policy.

Water fights

We've been soaking up the sunshine this week with some truly epic water-fights across the year groups. From squeals of laughter to teachers dodging flying buckets, everyone had a brilliant time cooling off. In fact, we're still not entirely sure who enjoyed the chaos more, the children or Mr Greenhall, who seemed to be right in the middle of every splash!

Music Assemblies

Friday's music assembly was truly something special. The children treated us to a series of beautiful performances, each one showcasing their growing confidence and musical talent. It was wonderful to see them thrive on stage, sharing everything from gentle melodies to lively rhythms. Their hard work and enthusiasm shone through – well done everyone!

Online Safety

The government has announced that social media platforms will be blocked from offering services to under-16s from next Spring. The ban will include platforms like Snapchat, TikTok, YouTube, Instagram, Facebook and X.

Furthermore, there will also be blocks on live streaming and communication with strangers (these restrictions will also apply to 16 and 17-year-olds) and the government will also be looking at overnight curfews and breaks in infinite scrolling.

You can read the Government's press release here:

<https://www.gov.uk/government/news/social-media-to-be-banned-for-under-16s-in-landmark-government-move-to-givekids-their-childhood-back>
