

Dear Parents and Carers,

Another week has flown by at Willowbrook, and it's certainly been a full and exciting one. Our Year 2 children had a wonderful opportunity to visit the mosque, where they explored the building, learned about its significance, and asked some brilliant questions. Meanwhile, our Year 5/6 football team represented the school brilliantly at the league fixtures held at St Peter's. Their teamwork, enthusiasm, and sportsmanship were fantastic to see.

### Rockstar and Robots Day

It has been fantastic to see everyone joining in with our Rockstars and Robots Day today. The effort, creativity, and excitement from the children have been truly gorgeous to witness, and it's clear how much they enjoy taking part in special themed days like this. We hope they've all had an amazing time exploring the activities on offer. Here is what some of the Year 6 students had to say about today.

- Anna – "It's the best. You get to dress up and do maths games and challenges!"
- Maddie - "I like TTRS day because you can show your outfits and your TTRS knowledge."
- Jessica - "Everyone gets to learn new things, and we play lots of fun games."
- Alfie - "We had to run around the hall and find timetables, it was fun."
- Frankie - "I like TTRD day because we get the opportunity to learn new things and run around with our friends."

### Online safety workshop

We are looking to run a workshop for parents and staff on online safety. A colleague from within our Trust, who previously served as the Head of Devon Education Safeguarding, has kindly offered to lead a session straight after school in the hall. As the content will not be suitable for younger children, we will be providing childcare for those who need it.

To help us gauge interest, please complete the form below. It will ask how many adults would like to attend and whether you require childcare during the session. The form will close on the morning of 9th February. If we receive enough interest, we will then confirm a date and share further details.

**Afterschool Club Reminder** - If you need to pass on a message after 4:30pm, please call 07930 727654 as the school office will be closed.

### ECO Club

Eco Club is a hands-on, engaging space where children explore fun and meaningful ways to care for the environment. Through activities such as planting and tending to nature, taking part in recycling projects, joining in with litter-picking sessions, creating eco-crafts from reused materials, and learning simple wildlife care, pupils develop a deeper understanding of how their actions can make a positive difference. The club encourages curiosity, responsibility, and a love for the natural world. This term the Eco Club has received a certificate from the School's Big Bird Watch. Well done to all our Eco Club members!

## Lost Property

lost property is located on the back playground outside the staff room at the end of each school day. Please take a moment to check if your child is missing anything.

To help us return items quickly, please ensure that coats, jumpers, and PE kits are clearly labelled with your child's name. This makes a huge difference when belongings are misplaced.
