

Respect

We show respect...

- When we are proud of who we are as individuals.
- When we look after our school environment and others' belongings.
- When we listen to *any* adult who speaks to us.
- When we say "hello", "good morning", "please" or "thank you".
- When we talk positively about other people.
- When we tell others that we appreciate them.
- When we hold doors for people.
