

The Willowbrook Science Journey

EYFS

Year 1

Seasonal changes

Everyday materials

Plants

Animals (sea animals)

Year 2

Plants

Mammals & Insects
(linked to Australia – Geog)

Uses of everyday materials

Living things and their habitats (UK)

Year 3

Rocks, fossils & soils

Plants (life cycles)

Animals (nutrition & skeletons) (linked to DT – moving vehicle)

Forces & magnets

Light

Year 4

Sound (linked to music)

Electricity

States of matter

Living things & their habitats (link to poles - Geog)

Animals including humans (digestive system & teeth)

Year 5

Properties & changes of materials

Earth & Space

Living things, Habitats & Animals (life cycles & changes)

Forces

(Link to DT – levers, pulleys)

Year 6

Circulatory system, diet, lifestyle

Evolution & Inheritance

Living things & habitats (classifying)

Light & Electricity
