Willowbrook Nursery Maths MTP- 2020-2021

	1	2	3	4	5	6	7	8
Autumn 1	Settling/baselining	Settling/baselining	Number 1	Number 2	Number 2	Number 3	Number 3	
	Number rhymes and songs	*Number rhymes and songs*	-Counting 1 from a group -Representing 1	-Counting 2 from a group -1:1 correspondence -conservation of number	-Subitising -Gingerbread man story link -Representing 2	-Counting 3 from a group -3 little pigs -1:1 correspondence -conservation of number	-Subitising -3 billy goats gruff -Representing 3	
CP Retrieval	*Range of resources and activities for baselining*	*Range of resources and activities for baselining*	Number rhymes resources Small world tray with puppets	Exploring shape Making shape pictures	Exploring patterns Paints, stamps	Exploring number resources Numicon, pompoms and tweezers	Exploring number resources	
Autumn 2	Size	Shape	Shape	Weight	Length	More and Less	Pattern	
	- Goldilocks and the three bears -Comparing objects	-Recognising shapes. -Introduce vocab corners & sides	-Describing shapes -Noticing shapes- shape hunts	Exploring weight inside and outside	-comparing -introducing vocab	-comparing.	Noticing and talking about patterns. -pattern hunt -Matching pairs	
CP Retrieval	Number 1-3 Making number block characters	Number 1-3 Sorting number resources	Numbers 1-3 Numbered car parks Matching numeral & quantity	*Shape and number* Counting and matching sides etc	Size sorting Sorting and comparing presents/Christmas trees etc.	*Shape* Christmas shape pictures	Weight Weighing Christmas presents	

Spring 1	Recap 1-3 & 0	Number 4	Number 4	Number 5	Number 5	Counting stick/track	
	-Subitising -Teach rule- last number tells you how many.	-Counting 4 from a group -Representing 4 -1:1 correspondence -conservation of number	-Subitising	-Counting 5 from a group -Representing 5 -1:1 correspondence -conservation of number	-Subitising		
CP Retrieval	*Length*	*More and less*	Pattern Outdoor learning patterns	Number	Number	Number	Number
Spring 2	Shape	Weight	Patterns	Length	Size/capacity	More and less	
	-different orientations	-Estimating and weighing.	-Continuing a simple pattern. -Link to Hungry Caterpillar	-Jack and beanstalk -non standard units to 5.	-Comparing containers -amounts still the same. -full empty	-Would you rather.	
CP Retrieval	Number	Counting Track Ordering numbers on track. Outside	Counting Track Using building blocks	Shape	Weight	Patterns Easter eggs	

Summer 1	Shape	Shape	Patterns	Size/capacity	Weight				
	-Describing shapes using correct vocab -Simple examples and non-example	-Using shapes appropriately. -Including 3D -Different orientations.	-Making their own patterns Noticing errors	-making predictions. -is bigger more -Half full	-is bigger always heavier				
CP Retrieval	Length Link to measuring tadpole pictures	Number Sorting numbers	Number Farm subitising pictures	Number	Number				
Summer 2	length	1-5	1-5	1-5	1-5	1-5	1-5	
	Predicting Non standard units	-Part whole -Recap rules	-Part whole	-Linking numerals to amounts -1:1 correspondence	-Linking numerals to amounts	-Solve real world mathematical problems	-Solve real world mathematical problems	
CP Retrieval	Patterns	Size/capacity	Weight	Length Measuring on maps Routes.	Number	Number	Number
