Instrumental Lessons

Would you like to learn an instrument?

Lessons will take place during school hours and will be 20 minute weekly sessions. The cost of these lessons will be between **£9 - £10 per lesson** (dependent on the specific peripatetic music teacher) and would be charged termly or half-termly.

There will also be the opportunity to hire certain instruments from the Devon Music Service if required, costing approximately £6.05 per month, booking is for a minimum of 4months.

We have followed guidelines from the government around peripatetic music lessons and have ensured that Covid-19 secure measures are put in place. All instrumental teachers will adhere to these measures including maintaining social distancing and increased hygiene between each lesson.

If you are interested in your child having instrumental lessons then please return the completed slip below as soon as possible so we can get started with the lessons. By giving consent on this slip you are giving us permission to pass on your contact details to the instrumental teacher concerned so they can arrange payment with you. All payments must be paid in advance; lessons will stop if they are not paid for.

I am sure that your child will not regret taking up this valuable experience.

If your child was having lessons last year, then they will continue to have them without returning this slip. Please let your child's class teacher or Miss Hughes know if you no longer wish your child to have lessons.

Yours sincerely, Miss Hughes
